

LISABROWN

INTERNATIONAL MAKEUP &
HAIRSTYLING SCHOOL

JOIN THE BEAUTIFUL WORLD OF MAKEUP AT THE **LISA BROWN INTERNATIONAL MAKEUP SCHOOL**

Lisa is the founder of the Lisa Brown International Makeup & Hairstyling School.

She is a proud graduate of the London College of Fashion & has received international admiration for her contribution to the beauty industry & her extensive MAC knowledge.

Her passion for teaching makeup & hair also stretches into the realms of business and fashion and will also be included in this course.

This makeup course is designed to focus on both classic and modern trends to offer a more expansive and versatile skillset for the student.

These courses consist of a range of private classes with Lisa herself - this is to ensure a hands-on approach and caters to each individual's needs. Students will be able to choose which styles and skills they are interested in - therefore creating a self-curated course.

Upon completion of either of these courses, the student will be awarded with an internationally recognized makeup certificate.

This also qualifies them for a 30% discount at all MAC stores.
